

Memorandum of Agreement

Between

**College of Biotechnology and Bioengineering, Sungkyunkwan University,
Seoul, South Korea**

And

Faculty of Medicine, Chiang Mai University, Thailand

The Dean, College of Biotechnology and Bioengineering, Sungkyunkwan University, South Korea and the Dean, Faculty of Medicine, Chiang Mai University, hereby conclude an agreement for academic exchange and cooperation between the two universities (referred to hereafter as 'the two parties').

1. The two parties will promote in particular the following activities:
 - i. Exchange of scientific materials, publications, and information
 - ii. Exchange of faculty members
 - iii. Exchange of students
 - iv. Joint research and meetings for research
2. These activities are to be carried out after mutual consultation between the two parties or the divisions concerned thereof.
3. All financial arrangements to pursue any of the above activities are to be negotiated for each specific case.
4. The two parties agree that, in the event of research collaboration leading to patent rights, copyrights or other intellectual property rights, a further agreement must be negotiated in each case in accordance with the policies of the two parties on intellectual property.
5. To workout operational details of co-operation between the two organizations and ensure effective implementation of this MoU, the following Liaison officers will be appointed.

For Sungkyunkwan University-

Dr. Balachandran Manvalan
Assistant Professor, Dept of Integrated Biotechnology
Biotechnology and Bioinformatics

For Chiang Mai University-

Dr. Dumnoensun Pruksakorn, M.D.
Associate Professor, Center of Multidisciplinary
Technology for Advanced Medicine

6. Amendment of this general memorandum is to be effected upon deliberation by the two parties.
7. This general memorandum shall be effective upon signature by the two parties and shall remain in force for a period of five years. The agreement can be extended beyond that period after discussion by representatives of the two parties. The discussion can begin anytime before the final six months of the initial period of the agreement.
8. Termination of this general memorandum is to be effected upon deliberation by the two parties. However, after the initial period of five years either party may terminate the memorandum at the end of a given year by giving six months notice in writing of such intent.
