

**Memorandum of Understanding
between
E-Da Hospital, Taiwan and Faculty of Medicine, Chiang Mai University, Thailand**

1. E-Da Hospital and Faculty of Medicine, Chiang Mai University agree to become Parties to this Memorandum, the purpose of which is to encourage collaboration between both institutions.
2. Within disciplines that are mutually acceptable, both Parties undertake to pursue:
 - a) Collaboration in professional staff training;
 - b) Collaboration in professional skills instruction;
 - c) Collaboration in medical research;
 - d) Other agreed joint development activities.
3. The Parties may conclude specific agreements that are mutually agreed upon for the purposes of implementing programs and/or activities pursuant to the provisions of this Memorandum. Such specific agreements shall define the relevant programs and/or activities concerned.
4. Each Party may request in writing a modification or amendment of any part of this Memorandum. Any modification or amendment agreed by both Parties shall be written down. Such modification or amendments once approved by both Parties will become part of the Memorandum.
5. Any differences or disputes arising from this Memorandum should be resolved through mutual consultation and negotiations between the Parties.
6. This Memorandum will be effective for a period of five years from date of signature, during which time it shall be reviewed to establish mutual consent as to whether collaboration between the Parties should continue after that time. The Memorandum may be terminated at any time by mutual consent or by six months' notice in writing served by either party.
