

**MEMORANDUM OF UNDERSTANDING**  
**BETWEEN**  
**CHIANG MAI UNIVERSITY**  
**FACULTY OF MEDICINE**  
**AND**  
**JUNTENDO UNIVERSITY**  
**FACULTY OF MEDICINE**

Chiang Mai University Faculty of Medicine (110 Intawaroros, Tambol Sriphum, Amphur Mueang, Chiang Mai 50200, THAILAND) and Juntendo University Faculty of Medicine (2-1-1 Hongo, Bunkyo-ku, Tokyo, 113-8421, JAPAN) have mutually agreed upon this Memorandum of Understanding (MOU) to promote relations and strengthen their collaboration.

### **1. Purpose**

This MOU is the foundation for the promotion of the following forms of collaboration:

- Collaborative academic programs and research initiatives
- Exchange of students, faculty, and staff
- Exchange of academic materials
- Exchange of information regarding conferences, symposiums, and seminars
- Other activities mutually agreed upon by both parties that will strengthen the partnership between both universities

### **2. Functions**

#### **2.1 Administrative Guidelines**

Each party acknowledges that any form of collaboration derived from the purpose of this MOU must be approved by the appropriate authorities and must meet the administrative guidelines of both parties. Programs or activities that do not meet the administrative guidelines already in place at the host institution will require a separate mutually agreed upon written contract.

#### **2.2 Conduct**

Each party acknowledges that in the case students, faculty, or staff visit the other party or participate in exchange programs they must obey the laws of the host country and the regulations of the host party.

### 2.3 Financial Expenses

Each party acknowledges that neither party will have any financial obligations to the other party, unless stated in a separate mutually agreed upon written agreement.

### 2.4 Equal Opportunity

Each party agrees not to discriminate against any person based on age, sex, gender, sexual orientation, race, social class, ethnicity, nationality, or religion.

## **3 Terms and Conditions**

### 3.1 Representatives

Chiang Mai University Faculty of Medicine is represented by Faculty of Medicine Dean Watana Navacharoen and Juntendo University is represented by Faculty of Medicine Dean DAIDA Hiroyuki.

### 3.2 Duration

This MOU becomes effective after the representatives of both parties sign the MOU and will continue to be effective until either party wishes to terminate the MOU by providing at least 90 days prior written notice to the other party of their intent to do so. Termination of the MOU will not influence any ongoing programs or activities, unless mutually agreed in written.

### 3.3 Modification

Each party may propose a modification to the MOU at any time. Each party must mutually agree to the modification for the change to become effective.

### 3.4 Communication

Each party will have an administrative office responsible for communications with the other party. Chiang Mai University Faculty of Medicine's administrative office responsible for communications is Faculty of Medicine's Foreign Affairs Unit ([frmedcmu@cmu.ac.th](mailto:frmedcmu@cmu.ac.th) , +66 (0)5393-6735). Juntendo University's administrative office responsible for communications is Juntendo University International Center ([juic@juntendo.ac.jp](mailto:juic@juntendo.ac.jp); +81 (0)3-3813-3795).

### 3.5 Legality

Each party acknowledges that the MOU states mutually agreed upon purposes and understandings. This MOU is not legally binding. Each party may propose a legally binding contract derived from the purpose of the MOU at any time.

3.6 Third Party

Each party acknowledges that they will be responsible for their own actions in regards to relations with third parties. Third party commitments of one party will not have an influence on the other party.

3.7 Execution

Two identical copies of this MOU will be written in English with each party holding one copy.
