PREAMBLE

Based on the Agreement for Academic Exchange between Chiang Mai University, Thailand (hereafter referred to as CMU), and Kyoto Institute of Technology, Japan, (hereafter referred to as KIT), both institutions further agree to conclude this Memorandum on Student Exchange.

NUMBER OF EXCHANGE STUDENTS

1. Each institution shall accept students from the other party on the basis of the home institution's recommendation and according to the following guidelines:

2. While each institution shall try to send the same number of students in a given year, neither party is required to do so. If/when either party does not designate any qualified students it will not affect the sending of the other party's students, since both institutions agree to operate the exchange on the basis of overall reciprocity.

3. The structure of the academic year in each institution is as follows:
 - a. CMU: 1st Semester: June to October
2nd Semester: November to March
 - b. KIT: Spring Semester: April to September

SELECTION AND NOMINATION

6. Each home institution, conforming to the admission requirements of the host institution, shall assume full responsibility for the assessment and selection of qualified candidates. The selection process shall consist of stringent evaluation of the student's previous academic record, motivation, and overall potential to succeed in an international academic environment.
7. Each institution, respecting the minimum language proficiency admission level established by the other, shall, as part of the screening procedure, verify the language proficiency of all potential exchange candidates.
8. Each institution will provide the host institution with its selected exchange students' names, majors, applications and supporting documents by the deadline prescribed by each host institution. The host institution shall respect the selected student list of the home institution, but reserves the right to reject a nominated exchange student if there is reasonable cause to do so.
