

AGREEMENT OF SCIENTIFIC RESEARCH COOPERATION  
BETWEEN

FACULTY OF MEDICINE,  
CHIANG MAI UNIVERSITY, THAILAND

AND

SCHOOL OF CLINICAL MEDICINE,  
YOUJIANG MEDICAL UNIVERSITY FOR NATIONALITIES, CHINA

For the purpose of further promotion of academic exchange and scientific research cooperation, Faculty of Medicine, Chiang Mai University, Thailand and School of Clinical Medicine, Youjiang Medical University for Nationalities (YMUN), China have reached this agreement on the basis of common interests and mutual understanding. Both parties have agreed as follow:

1. To conduct scientific research cooperation on the following research platform of YMUN:

No.	Scientific Research Platform(s)	Research Project Number(s)
1	Key Laboratory of Clinical Diagnosis and Treatment Research of High Incidence Diseases in Guangxi	1 (Details as attached)

For smooth implementation of the research projects planned, both parties shall exchange views, suggestions, and solutions best towards the satisfaction of each party and enter into specific project agreements based on the mutually agreed objectives and outcomes of the relationship.

2. The research project mentioned above will be funded by School of Clinical Medicine, Youjiang Medical University for Nationalities (YMUN), China.
3. This Agreement is not considered to be a contract creating legal and financial relationships between the parties; rather, it is designed to facilitate and develop genuine and mutually beneficial research cooperation. Efforts shall be made by both parties to implement the research projects based on the agreement.
4. This Agreement will come into effect on the date of signatures for a period of time for three years and may be modified or extended by mutual consent of both parties.
